

A close-up photograph of a hand pulling a piece of light green, stretchy slime from a yellow bowl. The slime is being pulled upwards, creating a thick, vertical strand. The bowl is filled with more of the same slime. The background is a plain, light-colored surface.

# *How To Make Slime*

By Boyee Chen

# *Materials*

# *Optional Materials*

# *Step 1*

Wear your  
glove

## *Step 2*

Get out a Bowl  
(or a ziploc bag  
if you are too  
lazy to wash  
dishes)

## *Step 3*

Pour cornstarch  
into a bowl

# *Step 4*

Add water in  
slowly

## *Step 5*

Add a few drops of your food coloring if you want your slime to have a color

## *Step 6*

Add your glitter  
into the mixture if  
you are using  
glitter

## *Step 7*

Mix the mixture with the hand that has the glove until the mixture is smooth

# Step 8

Add more water  
until the slime have  
the consistency  
that you want

## *Step 9*

Store the slime  
in a plastic bag
